

Name:

Science Teacher:

Homeroom Teacher:

Science Period:

Look at the list of electives on the other side of this worksheet...

- Next to the Carnegie Unit classes you are currently taking, write “AT” (already taken) on the line.
- As you watch the electives video, use the space below to take notes about your electives selections.

Notes: _____

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.

Identify the FOUR electives you would like to request for next year. Write your selections below in rank order. Remember to be mindful of electives with an asterisk (*).

- 1.
- 2.
- 3.
- 4.

CHS Electives Selection

As a rising 9th grader, most of you will have room in your schedule for two electives. From the list below, please rank your TOP 4 electives you want to take your 9th grade year. (1 – top choice) Some of these courses may be offered at Chestatee Academy and you may have already taken the first course in the pathway. If so, select the second course listed in the pathway.

THEATER:

_____ Theater Fundamentals I
