What is Title I?

Chestatee Academy is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to challenging State academic standards in order to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with all parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it? This is a plan that describes how Chestatee Academy will provide opportunities to improve family engagement to support student learning. Chestatee Academy values the contributions and involvement of parents and family members in order to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Chestatee Academy will support family engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised? Chestatee Academy invites all parents to attend an annual parent and family engagement input meeting, at the beginning of the school year, to review and revise this parent and family engagement policy, as well as the school/district comprehensive needs assessment, school/district improvement plans, school-parent compact, and the parent and family engagement budget. Additionally, our school welcomes parent input and comments at any time during the school year regarding this plan. All parent feedback received during the school year will be used to revise the plan for the next school year. The plan is posted on our school website for parents to view and post feedback throughout the year. We also distribute an annual survey online and make paper copies available for their suggestions on the plan and the use of funds for family engagement. Parent and family members can also give feedback during several parent meetings and activities during the school year.

Who is it for? All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Chestatee Academy will provide full opportunity for the participation of parents and family members with limited English, parents with disabilities, and parents of migratory children.

Where is it available? At the beginning of the year, after revision, the plan is posted on the school's website, emailed through Infinite Campus, presented at the Annual Title I meeting, and paper copies are provided in the school's front office.

School-Parent Compacts

As part of this plan, Chestatee Academy and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students develop together that explains how parents and teachers work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students and teachers during the parent events. The school-parent compacts are shared through the Annual Title I meeting, Infinite Campus, and posted on the school’s website. - That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;

Chestatee Academy is committed to helping our parents and families attend the family activities listed in this plan. Please call us if you need assistance with childcare or transportation in order to participate in our programs.
