

School-Parent-Student Compact
Chestatee Academy
2026-2027

Dear Parent/Guardian,

Chestatee Academy students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how school and parents will build and develop a partnership that will help children achieve the State's high standards. Parents, school personnel and administrators came together on April 28, 2026 to develop this compact. Parents offered several suggestions which were added to this compact. Meetings are held each year to review and revise the compact based on the school improvement goals and student's needs, all parents are invited to participate in this revision. Title I Parent Survey is conducted to collect suggestions for improvement.
